

**COMBINATION FUEL DISPENSING AND LOTTERY TICKET
DISPENSING METHOD AND APPARATUS**

ABSTRACT OF THE INVENTION

A combination fuel dispensing and lottery ticket dispensing system includes a fuel dispensing machine, a computer controller, a display, an input device and a dispensing device. The fuel dispensing machine, the display, the input device and the dispensing device are all in communication with the computer controller. The input device communicates customer-selected lottery ticket information to the computer controller, and the dispensing device dispenses the customer-selected lottery ticket.
